

MAGDAS Project at SERC, Kyushu Univ.

(MAGnetic Data Acquisition System/Circum-pan Pacific Magnetometer Network)

List of Stations

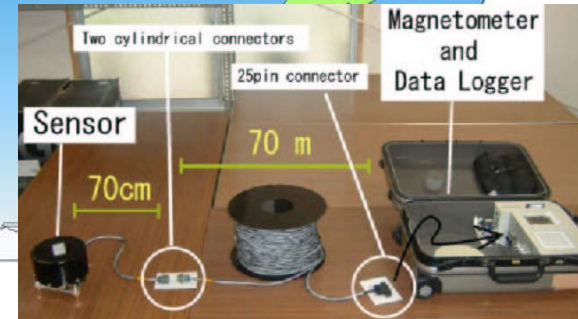

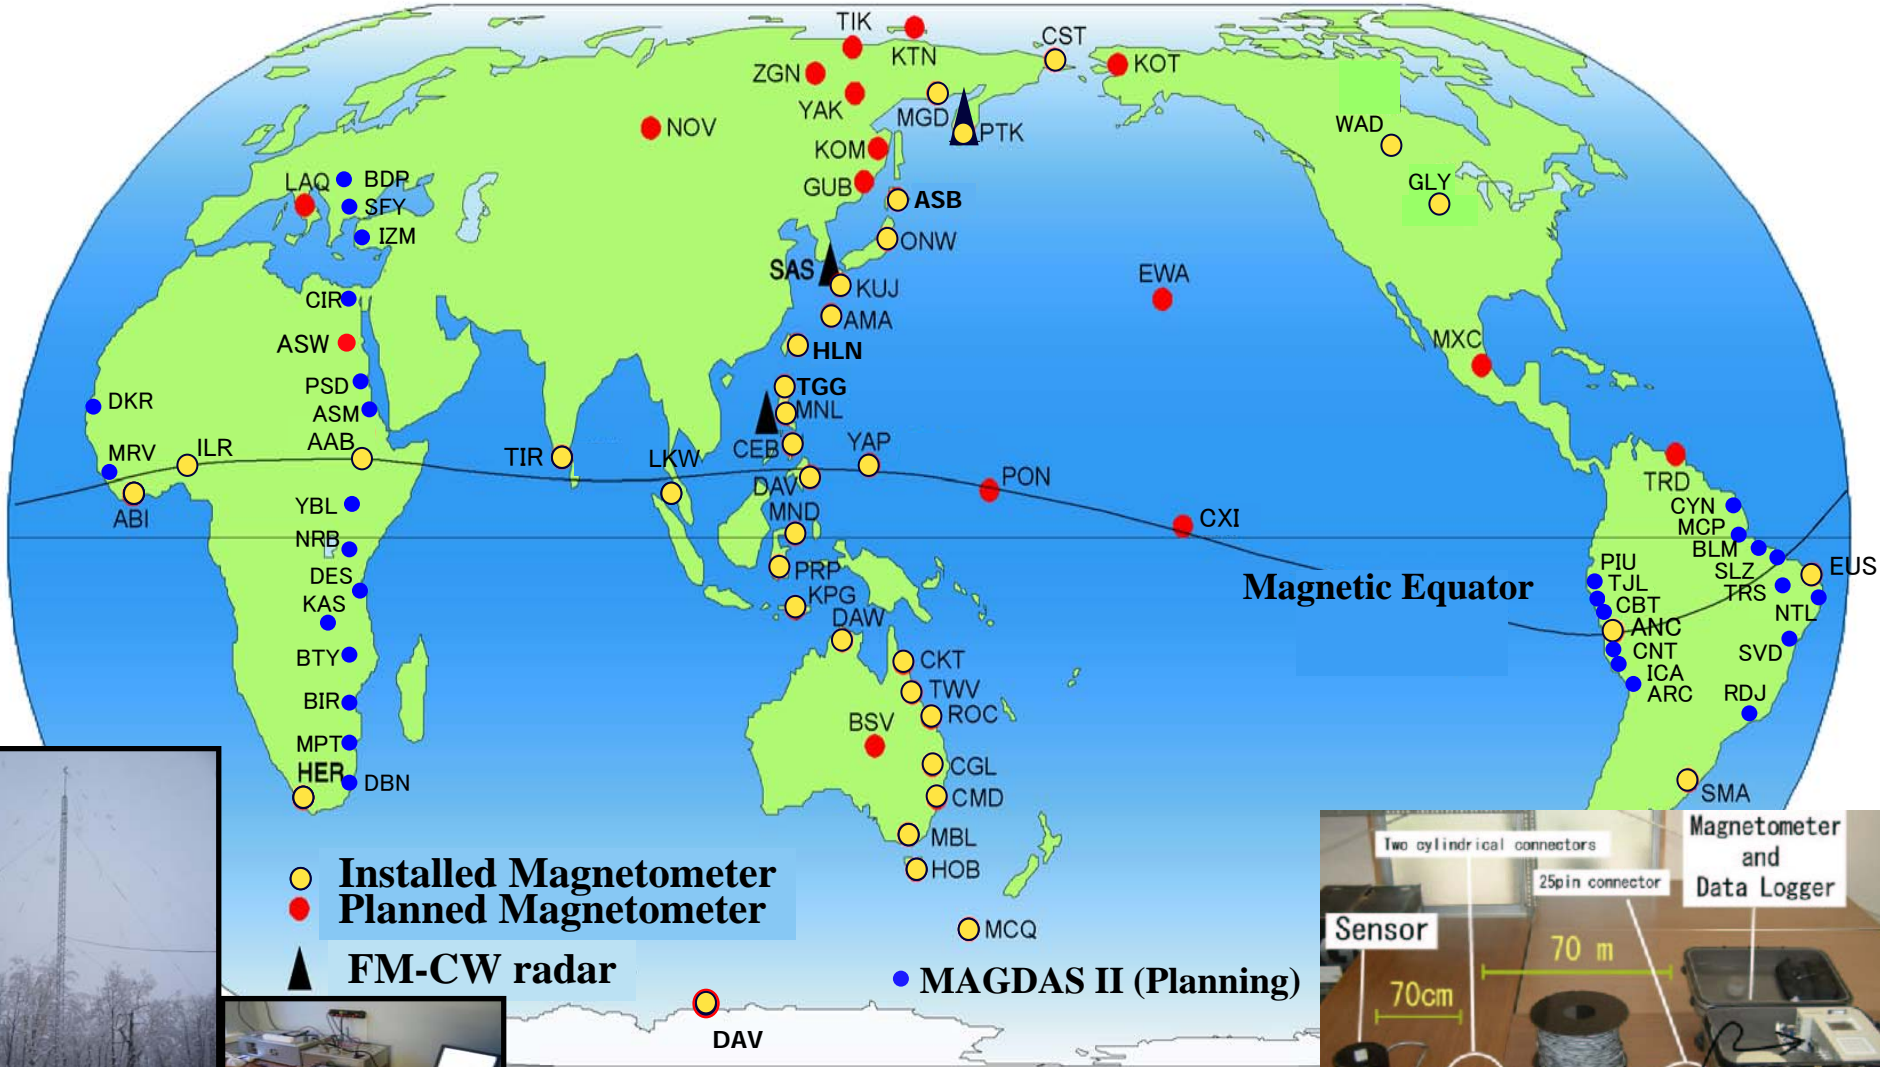

- The continuously updated list of operational MAGDAS stations is available at the SERC homepage of www.serc.kyushu-u.ac.jp
- First, click on “About MAGDAS”
- Next, click on “MAGDAS Cross Reference Table”
- You will see the full list of MAGDAS stations with geographic and geomagnetic coordinates – and with installation dates

Data S/N	Machine S/N	LOC	Installed	G.LAT	G.LONG	M.LAT	M.LONG
=====	=====	=====	=====	=====	=====	=====	=====
SN01	STD-001	MND Manado, Indonesia	05/07/26	1.44	124.84	-6.91	196.06
